DELIBERATIVE – Do Not Release or Cite

Mary,

Since we are not talking tomorrow morning, I wanted to send you a note in advance of the assumption call tomorrow.

First, we will have OGC walk through the NHPA paper that I sent you earlier (it is attached to the invite and here, along with an excerpt from the NHPA manual). Following that I will kick off a discussion on timing issues. We will be reviewing the attached timeline summary (FL ESA timeline included above).

I'm not sure I will be able to talk to John before our call, but will let you know via text if I reach him.

Please let me know if you have any questions or if you want us to use a different approach.

Thanks  
jeaneanne
